MAN AND WOMAN – LOVE OR HATE?

I love you, but you don't love me!

Children have no good future.

I will take your children away by force,

Because you are drunk on rum!

The wife says: "You are a piece of shit;

Our children are not worth your time,"

I filed a lawsuit,

To the lawyer and the judge!

The lawyer says: "Well, yes,

The wife herself is to blame,

I advise you to do one thing

Divorce your wife, who drinks rum."

The wife was angry and left without her husband,

Ends up in Riga Central Prison,

Where love disappeared without a word

Hatred manifested itself between the laws.
